Message from the President *Fun, Fellowship and Photography*

This is the 2010 theme for the MGCC. I am honored to serve as your president. I appreciate all who are serving on the Board and look forward to working with them as well as you the membership to plan an interesting and exciting year for MGCC.

It is this board's goal to continue to offer quality programs and to provide opportunities for sharing of ideas and information through field trips and social time. We welcome and encourage your input and suggestions for programs, workshops, field trips, and activities that you would be interested in participating in. As members you are an important part of the "picture". Your support is vital to the life of the club

Join us every first and third Thursday. Meetings begin promptly at 7:30 p.m. The meeting room will be open by 7:00 for those who like to come by early and socialize. Lets have fun and good fellowship as we (some more seriously than others) pursue our hobby of photography. Janet Thiese
